FOSTER PARENT AGREEMENT

RETAIN THIS COPY FOR YOUR RECORDS

Auckland SPCA does not accept any liability for any direct or consequential damages arising out of this foster care agreement.

1. The animal(s) shall remain the sole property of Auckland SPCA.
2. The animal(s) shall be returned to Auckland SPCA upon request, or if I am no longer able to adequately care for them.
3. I accept the Society may wish to inspect my property at any time.
4. Should the Society be concerned about the treatment or care of the fostered animals they will be removed from my possession.
5. I agree to transport the fostered animals to the shelter when required by the Auckland SPCA including attending veterinary appointments when necessary.
6. I understand that I do not have any right or authority to keep or place foster animal(s) in other homes or with other individuals. All arrangements must have the prior approval of, and be made through the foster co-ordinator.
7. I agree to provide food, water, shelter and TLC to the foster animal(s) and to follow all medical and other instructions.
8. I understand I must make arrangements with the foster co-ordinator before bringing the fostered animals in for treatment or to be returned.
9. I understand that all foster animals should be confined to areas away from my own pets for at least the first 10 days, especially for the same species.
10. I understand that many viruses have an incubation period of 7-14 days, and I understand that my own pets may be at risk of contracting a contagious virus. I accept that risk and the responsibility of treatment of my own pets if necessary, at my own expense. In the unfortunate circumstances that my foster animals contract a virus (such as parvo virus) I understand that I may have a stand down period of up to 12 months. Before rejoining the foster programme This applies to cases such as parvo virus (dogs/puppies) and ringworm.
11. Auckland SPCA does not accept responsibility for damages done to property by foster animal(s) and that if my own pet /s becomes unwell due to contact with the foster animal/s then I will not expect the Auckland SPCA to treat or to pay for my own pet/s vet bills.
12. I understand that in the event of illness or medical treatment needed for my foster animal(s), Auckland SPCA veterinarians must be used.
13. I understand that in some circumstances Auckland SPCA may decide that euthanasia is necessary, and I agree to abide by this decision.
14. I agree to not leave young children unsupervised with these animals.
15. I agree to return any food, supplies and equipment to Auckland SPCA on completion of fostering.
16. I understand I must call the Foster Co-ordinator before bringing my foster animal(s) in for adoption or treatment.
17. This contract will remain in force while I am fostering animals on behalf of the Auckland SPCA and it may be revoked at any time by either party.
18. I understand all time schedules for the return of foster pets are dependant upon space available in the shelter. I know that making 'room' for fostered animals could defeat the purpose of the entire programme and that sometimes this may cause delays in being able to return the animals to the SPCA.

I Agree to and will abide by these conditions for Auckland's SPCA Foster Programme.
